Dear Dr.Ed de Kluiver,

Greetings from Cardiology 2020!!

We are glad to invite you as an Organizing Committee Member for the "Global Cardiology Summit", which has been scheduled for the month of **March 19-20, 2020 at London, UK**. Your attendance, input and advice are vital to the success of our program. As a committee member, we ask you to participate in our conference and offer your expertise and guidance to ensure that our program meets the standards and expectations.

Theme: **"Innovative Research in Cardiology"**

Basing on your eminence and expertise in the field, we are honored to invite as an Organizing Committee Member for Cardiology 2020.

Privileges for OCM:

- Can initiate/conduct workshop based on your research expertise
- Special interactive sessions will be provided to your research team
- Accepted Abstracts may publish in indexed journals

Benefits of the Organizing Committee Member:

- OCM can coordinate a session & workshop of their interest
- They can share their ideas/suggestions to increase the participants of the conference
- Can suggest or modify the scientific sessions to make the conference more effective
- OCM can suggest potential speakers across the globe related to scope of the conference
- Can launch a book/chapter in the conference
- Can be a poster Judge

We request you to visit the conference website [Cardiology-2020](#) for detailed information regarding the conference.

Please inform us your availability for the event. We anticipate your gracious presence at our event.

Best regards,
Mira Sophia
