Awards The conference offers emerging scholar awards to outstanding researchers, exceptional graduates or early academicians who have distinctive enthrallment towards the conference themes. The Award strives in providing a strong professional development opportunity for early career academicians—meeting experts in the field, interacting with colleagues from other parts of the world, and creating networks and long-term relations. Expert Level (Scientific Service Achievement Award): AIDS & Care 2020 will confer the Expert Level Award to the researchers who have spent a considerable time of their academic life towards the research related to HIV, AIDS & other related topic. Expert Level award is for the researchers/speakers who have done all the hard work behind the scene. It will be a small clap for their dedication and hard work. The recipients of the awards are generally experts who have almost spent 15+ years in the research towards the AIDS & Care topic. Professional Level (The Research Contribution Award): AIDS & Care 2020 will bestow Professional Level award to those researchers who have made significant contribution towards the conference topic during their research period as well as presented the research topic in an impressive way in the oral presentation during the summit. It will be an apt appreciation from the Jury as well as from the delegates. The award they receive will motivate them to march forward with the research work. Scholar Level (The Upcoming Researcher Award): AIDS & Care 2020 offers Scholar Level Award for the upcoming scientists, researchers and experts having at least 5years research experience in the AIDS & Care 2020. Our conference will provide best platform to expand your network by sharing your research knowledge at the summit. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions. Women Scientist (The Women of Science Award): AIDS & Care 2020 provides a unique platform for women researchers for presenting latest research projects with an in-depth analysis. We create a great environment for women scholars and scientists to who have research experience to join the forum. We are glad to inspire our women scientist's participation through research awards and provide assistance for women scholars in career development and research guidance through our collaborations.
